Here are the requirements to take Skype or Zoom guitar lessons...

- 1) Desktop computer or laptop computer, tablet, smartphone, etc.
- 2) Guitar (an acoustic or an electric with an amp)
- 3) Webcam (many computers have a built in webcam but you can buy an external webcam if needed)
- 4) Microphone (many computers have a built in microphone but you can buy an external mic if needed)
- 5) Speakers or headphones
- 6) Internet connection with at least 1.5 Mbps download and upload speed
- 7) The latest version of Skype or Zoom installed on your computer or device (Skype and Zoom are both free applications)
- 8) To save time, if you know how to tune your guitar, please be in precise standard tuning prior to each lesson. If you are a total beginner and you don't know how to tune yet then wait until your first lesson.

HALF HOUR LESSON POLICY

- 1) Tuition is \$120.00 (USD) per month (four lessons) for the half hour weekly time slot.
- 2) Tuition is only payable via PayPal, credit card, or debit card.
- 3) Full tuition for the first month plus an additional \$120.00 four lesson deposit is to be paid in advance to reserve your time slot. If you start lessons on a week other than the first week of the month then tuition for the first month will be adjusted accordingly. The lesson deposit is fully refundable when you discontinue lessons as long as your account is in good standing and you have given me the required notice (see #8 below).
- 4) I will send you a payment link at the end of each month for tuition for the upcoming month. Payment is due by the first lesson day of the new month.
- 5) Except for major holidays, I will rarely cancel lessons. When I do cancel a lesson for any reason then I will apply a lesson credit to your account and the next month of tuition will be adjusted accordingly.
- 6) Be aware that you are purchasing a spot on my lesson schedule. It is your responsibility to show up for lessons. Tuition is NEVER prorated for student cancellations.
- 7) Please try your best to attend all of your lessons as this will help you to become a better musician. In the event that you do have to miss a lesson, as long as you give me 12 hours' notice, you can request that I use your time slot to record a short video lesson and provide you with practice materials for that week.
- 8) If you need to permanently discontinue lessons then be sure to provide me with a minimum of 2 weeks' notice. This gives me enough time to find another student to fill your time slot. I will still charge you for your time slot 2 weeks out from the day you give notice if less than 2 weeks' notice is given. Once you have given notice I will promptly send you a refund for any lesson credit you have beyond the 2 week time frame.
